Dear Potential Sponsor,

The Highland High School Band Boosters are currently planning for the 9th annual Highland/ASU Jazz Festival scheduled for April 12-14, 2018. The Highland/ASU Jazz Festival brings Jazz enthusiasts and students together in a highly educational and rewarding experience. It encourages people of all ages, from various backgrounds across our state to enjoy live performances from talented students and musicians, while allowing others to discover an appreciation for Jazz.

To make this festival successful and a valuable experience for our students and the community, we need donations from corporate sponsors such as yourself. Highland/ASU Jazz Festival provides an excellent and cost effective opportunity for sponsors to advertise at this family friendly event and reach a diverse cross-section of the Southwest.

We have five (5) sponsorship packages as detailed on the reverse side of this letter. You can select the level of participation that best meets your needs. The levels listed are only a suggestion, if you have an idea that is different from what we have presented or would like to sit down and create a sponsorship package better suited to your business or organization, we'd be happy to meet with you. We are also graciously accepting in-kind contributions of goods and services.

Highland Band Boosters is a 501(c)(3) non-profit organization: some or all of your sponsorship may be tax deductible (consult your tax advisor). Our federal tax ID# is 51-0548043. Funds may be donated via check payable to "Highland Band Boosters" and mailed to PO Box 2414, Gilbert, AZ 85299 or you may donate through PayPal (see www.highlandjazz.com for more details). Please visit our websites at: www.highlandhighband.org and www.highlandjazz.com or check us out on Facebook at [Highland/ASU Jazz Festival](#).

Thank you for your consideration,

Renne Foster
